

**Allen Ramey
Operations Manager**

Allen Ramey has been with Minco since 1994 and his current responsibilities include direction and management of the Silica Plant Operations.

Allen holds a Bachelor of Science (BS) Degree in Organization Management from Tusculum College. He also has a thorough first-hand knowledge of the entire silica production process.

Allen's previous experience includes production supervision and management of Minco's Silica Grinding Operations. Prior to joining Minco, Allen served as a Police Officer and U.S. Marine.
